Houston, TX 77070

Attention: Norbert Renaud

Administrative Order NSL-2698

Dear Mr. Renaud:

Reference is made to your application of October 10, 1989 for a non-standard oil well location to permit the completion of an efficient production/injection pattern within an existing secondary recovery project for your West Lovington Unit Well No. 66 to be located 135 feet from the South line and 1300 feet from the East line (Unit P) of Section 5, Township 17 South, Range 36 East, NMPM, West Lovington San Andres Pool, Lovington San Andres Unit Waterflood Project, Lea County, New Mexico. Said well to be dedicated to the existing standard 40-acre oil spacing and proration unit comprising the SE/4 SE/4 of said Section 5.

By the authority granted me under the provisions of General Rule 104 F(I) and Decretory Paragraph No. (2) of Division Order No. R-2278, the above-described unorthodox oil well location is hereby approved.

Sincerely,

A handwritten signature in cursive script, appearing to read 'William J. LeMay', with a long vertical line extending downwards from the end of the signature.

William J. LeMay
