Re: Amendment to Application for Non-Standard Location  
Evergreen Operating Corporation  
Rosa Unit #281, 2280' FSL 1140' FEL  
1-1-T31N-R4W, Rio Arriba County

Dear Mr. Stogner:

Please amend the subject application to read 2110 feet from the South line and 1240 feet from the East line (Unit 1) of Section 1, Township 31 North, Range 4 West.

We were forced to move the location again due to another archaeological site. (This is our fourth attempt for an acceptable location for this well)

The archaeologist now says that this location will be recommended for approval.

If there are questions, please contact me.

Yours very truly,

A. R. Kendrick

Re: Supplemental Information, Application for NSL  
Evergreen Operating Corporation  
**Rosa Unit #281**  
**I-1-T31N-R4W**

Dear Mike:

The official on-site inspection was performed on May 16, 1990, by Jim Tensfield of the U.S. Forest Service with Richard George and A. R. Kendrick representing the Evergreen Operating Corporation.

We did not get and do not expect any written information regarding any on-site inspection. However, the location was approved as filed. Oral agreement was reached before we left the location.

If further information is desired, please contact us.

Yours very truly,

A. R. Kendrick
