Dear Mr. Stogner:

Mr. Delvin Echard of Koch Exploration Company's Farmington, New Mexico office submitted to you an application for the captioned. Although Mr. Echard has informed me that, in the absence of objections from offsetting working interest owners, Koch's application may be approved, I have nevertheless enclosed waivers from all offsetting working interest owners in support of Koch's application.

We look forward to receiving the approved Application for Permit to Drill.

Thank you,

Janet Kae Kruse
