Attention: Michael J. Newport

Amended Administrative Order NSL-2943

Dear Mr. Newport:

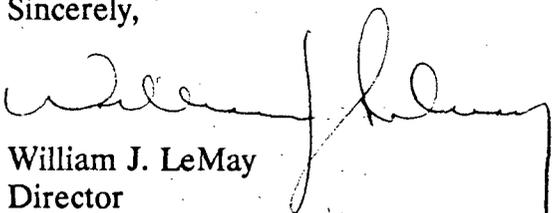

It is my understanding that Division Administrative Order NSL-2943, dated November 19, 1990 does not correctly state the intended order of the Division. Therefore said Order NSL-2943 shall be amended at this time to read in its entirety as follows:

"Reference is made to your applications dated September 5 and October 23, 1990 for two non-standard producing oil well locations to permit the completion of an efficient production/injection pattern within the Lovington-San Andres Unit Waterflood Project, Lea County, New Mexico. Both wells are to be located in Section 36, Township 16 South, Range 36 East, NMPM, Lovington-Grayburg-San Andres Pool, Lea County, New Mexico.

WELL NUMBER	FOOTAGE LOCATION	UNIT	DEDICATED 40-ACRE TRACT
63	100' FSL - 115' FWL	M	SW/4 SW/4
65	1168' FSL - 1330' FWL	N	SE/4 SW/4

By the authority granted me under the provisions of General Rule 104F(I), both of the following described unorthodox oil well locations are hereby approved."

Sincerely,

William J. LeMay
 Director
