Re: Eunice Monument
Well No. 41
Lea County, NM

Enclosed please find our application and request for unorthodox location covering Well No. 41. Pursuant to our attached letter, which was sent Federal Express, Chevron was notified of our well. The attached receipt indicates they received the notification on 11/7/90. This indicates Greenhill will be eligible to receive our permit on 11/27/90. Please advise in the event you have any additional questions.

Sincerely,

Mike Newport

RE: Greenhill Petroleum's
Unorthodox Location Request
Eunice Monument
Well #41
Lea County, New Mexico

Mr. William J. LeMay, Director
New Mexico Oil Conservation Division
P.O. Box 2088
Santa Fe, New Mexico 87504-2088

Attention: David R. Catanach

As an offset operator, Chevron U.S.A. Inc. has no objection to the Greenhill Petroleum Corporation application to the Unorthodox Location of the Eunice Monument Well #41 that is to be located 1275' FSL, and 1000' FWL, of Unit letter M, Section 19, T-20-S, R-37-E. Chevron also understands that this well is unorthodox in that it is too close to a quarter-quarter section line.
