Re: Case No. 10441, Application for Compulsory Pooling and
an Unorthodox Well Location. S/2SE/4 of Section 1,
Township 16 South, Range 36 East, N.M.P.M., Northeast
Lovington-Pennsylvanian Pool, Lea County, New Mexico.

Dear Michael:

As promised in my letter to you of February 14, 1992, I enclose copies of
Waivers received via telecopy from Bridge Oil Company, L.P., and from Estoril
Producing Corporation and Kevin O. Butler. Estoril's Waiver is included
inasmuch as Applicant has determined that operations of certain of the wells
offsetting its proposed well are in the process of being changed.

In light of the fact that Applicant's witness, Mr. Bill Bahlburg of Dallas, Texas,
must start his trek to Santa Fe tomorrow if Thursday's hearing is necessary, I
would appreciate your earliest possible advice as to whether this matter can be
handled administratively. Thank you ever so much for your attention to this
request.

Very truly yours,

Phil Brewer
