Re: Administrative Order NSL-3108 dated 3-31-92  
Lovington San Andres Unit  
Lea County, New Mexico

Dear Mr. LeMay:

In reviewing our records, we have found correspondence that concerns non-standard oil well locations applied for on March 23, 1992 and granted to us by Administrative Order NSL-3108. This non-standard pattern is for the locations shown on this order, but concern the Lovington Grayburg San Andres Pool, Lovington San Andres Unit. Please examine your records to see if this correction has previously been noted.

Very truly yours,

Michael J. Newport  
Land Manager - Permian Basin
