Gentlemen:

Please refer to my letter dated April 30 1992 in which I requested an exception to RULE 2. (a) of the Special Pool Rules and Regulations for the Bluitt-San Andres Associated Pool for the possible formation of a non-standard gas unit and approval of a possible unorthodox oil location, both for the referenced well.

In connection with the above, attached are copies of the "return receipts" for the copies of the April 30th letter which were sent to all the offset operators.

Yours truly,

Thom O'Brien
