Farmington, NM 87499-4289

Attention: Peggy Bradfield

Administrative Order NSL-3247

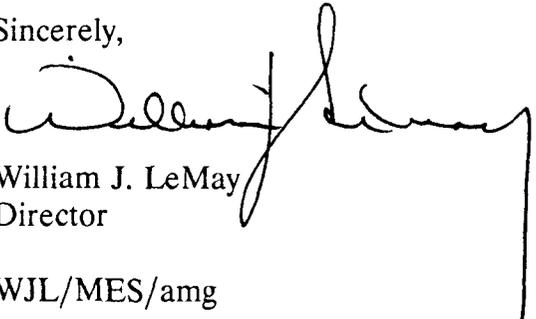

Dear Ms. Bradfield:

Reference is made to your application dated May 4, 1993, for a non-standard gas well location for the San Juan 30-6 Unit Well No. 58-B to be drilled 595 feet from the North line and 2135 feet from the West line (Unit C) of Section 31, Township 30 North, Range 6 West, NMPM, Blanco-Mesaverde Pool, Rio Arriba County, New Mexico.

Said well is to be an infill well, pursuant to Rule 2(b)2 of the Special Rules and Regulations for the Blanco-Mesaverde Pool, as promulgated by Division Order No. R-8170, as amended, to your San Juan 30-6 Unit Well No. 58 located in Unit N and is currently dedicated to the W/2 of said Section 31 being a standard 320-acre gas spacing and proration unit for said pool.

By the authority granted me under the provisions of Rule 2(c) of said Special Pool Rules, the above-described unorthodox infill gas well location is hereby approved.

Sincerely,

William J. LeMay
Director
