Corrected Administrative Order NSL-3260

Dear Mr. Hughes:

It has been called to my attention that Division Administrative Order NSL-3260, dated June 17, 1993 which authorized the State 18-B Well No. 10 to be drilled at an unorthodox oil well location in Unit H, Section 18, Township 17 South, Range 33 East, NMPM, Lea County, New Mexico, does not correctly state the intended order of the Division.

All references to the "Zapata Maljamar Waterflood Western State Project Area" and "Division Order Nos. 2157 and 2157-A" shall be changed to correctly read the "Maljamar (Grayburg-San Andres) Unit Waterflood Project Area" and "Division Order No. R-2156, as amended."

All other provisions of the original Order No. NSL-3260 shall remain in full force and effect until further notice.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. LeMay".
