Attention: Mr. Michael E. Stogner

Gentlemen:

An exception, by administrative approval, to Rule 104 F.I. is requested for the captioned well. This well is on Federal land.

This well must be drilled in this location to ensure proper development on 20-acre spacing to recover additional reserves in an established waterflood. These reserves could not be recovered with the current 80-acre, 5-spot pattern.

The "affected" offset operators to this well are Meridian Oil, Inc., Oxy USA Inc., and Conoco Inc. They have been notified of this request (see attached certified mail receipts).

Attached is Form C-102, showing the location for this well and a lease plat showing the existing wells.

Yours very truly,

*C. P. Basham/cw\**
