Meridian Oil, Inc.  
P.O. Box 4289  
Farmington, NM 87499-4289

Attention: Peggy Bradfield

*Administrative Order NSL-3386*

Dear Ms. Bradfield:

Reference is made to your application date April 4, 1994 for an unorthodox gas well location for both the Basin-Fruitland Coal Gas Pool and the Undesignated East Blanco-Pictured Cliffs Pool for the proposed Brown Well No. 200. Said well to be drilled 190 feet from the South line and 1915 feet from the West line (Unit N) of Section 31, Township 29 North, Range 4 West, NMPM, Rio Arriba County, New Mexico. It is our understanding that both said zones are to be downhole commingled.

Lots 1 through 4 and the E/2 W/2 (W/2 equivalent) of said Section 31 being a standard 318.46-acre gas spacing and proration unit in the Basin-Fruitland Coal Gas Pool and Lots 3 and 4 and the E/2 SW/4 (SW/4 equivalent) of said Section 31 being a 159.61-acre gas spacing and proration unit in the Undesignated East Blanco-Pictured Cliffs Pool are to be dedicated to said well.

By the authority granted me under the provisions of Rule 8 of the Special Rules and Regulations for the Basin-Fruitland Coal Gas Pool, as promulgated by Division Order No. R-8768, as amended, and Division General Rule 104.F(1), the above-described unorthodox gas well location is hereby approved.

Also, Meridian Oil, Inc. shall comply with all other provisions of said Order No. R-8768, as amended, pertaining to the downhole commingling of coal gas production with gas from the Undesignated East Blanco-Pictured Cliffs interval.

Sincerely,

A handwritten signature in cursive script, appearing to read "William J. LeMay".
