Attention: Carol J. Garcia, Production Records Manager

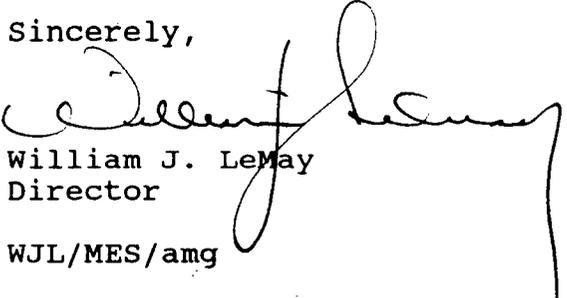

*Administrative Order NSL-3406*

Dear Ms. Garcia:

Reference is made to your application dated June 9, 1994, for a non-standard oil well location for your Nash Unit Well No. 15 to be drilled 10 feet from the North line and 475 feet from the West line (Unit D) of Section 13, Township 23 South, Range 29 East, NMPM, Undesignated Nash Draw-Brushy Canyon Pool, Eddy County, New Mexico. The NW/4 NW/4 of said Section 13 shall be dedicated to the well forming a standard 40-acre oil spacing and proration unit.

By the authority granted me under the provisions of General Rule 104.F(1) the above-described unorthodox oil well location is hereby approved.

Sincerely,

  
William J. LeMay  
Director
