RE: Request for Administrative Approval
For an Unorthodox Pictured Cliffs Location
Tiger #6
910' FNL & 753' FWL
Section 35-T30N-R30W
San Juan County, New Mexico

Gentlemen:

Enclosed, please find a copy of the C-102 for our Tiger #6 Pictured Cliffs well, along with a plat of the Pictured Cliffs rights in each of the offsetting proration units. As you can see, Bayless has the Pictured Cliffs on all surrounding tracts. This well is located adjacent to the Farmington city limits, on surface owned by the Chapel of the Valley Church. The location was chosen to satisfy the Church in their planned development of the site. Moving the well to the east would place the well within the proposed access to a parking area.

The Farmington City Council and the BLM have approved this well at the proposed location. An executed copy of the Surface Use Agreement has also been enclosed.

A copy of this letter has been sent to Universal Resources by certified mail, so Bayless hereby requests administrative approval of this unorthodox location under Rule 104.F.

Thank you in advance for your consideration of this matter. If you need further information, please contact Tucker Bayless at 505/326-2659.

Sincerely,

Price M. Bayless
