550 West Texas Ave., Suite 1300
Midland, TX 79701

Administrative Order NSL-5967

**Re: Folk Federal Well No. 11
API No. 30-015
1220 feet FNL and 660 feet FEL
Unit A, Section 17-17S-29E
Eddy County, New Mexico**

Dear Ms Odom:

Reference is made to the following:

(a) your application (**administrative application reference No. pKVR08-30439576**) submitted to the New Mexico Oil Conservation Division (the Division) in Santa Fe, New Mexico on October 29, 2008, and

(b) the Division's records pertinent to this request.

COG Operating, LLC (COG) has requested to drill the above-referenced well at an unorthodox oil well location described above in the caption of this letter. The NE/4 NE/4 of Section 17 will be dedicated to this well in order to form a standard 40-acre spacing unit in the undesignated East Empire-Glorieta/Yeso Pool (96610). This pool is governed by statewide Rule 104.B(1), which provides for 40-acre units, with wells located at least 330 feet from a unit outer boundary. This location is less than 330 feet from the southern unit boundary.

Your application has been duly filed under the provisions of Division Rules 104.F and 1210.A(2).

It is our understanding that you are seeking this location to avoid interference with an existing long-distance gas pipeline.

November 20, 2008

Page 2

It is also understood that notice of this application to offsetting operators or owners is unnecessary due to common ownership.

Pursuant to the authority conferred by Division Rule 104.F(2), the above-described unorthodox location is hereby approved.

This approval is subject to your being in compliance with all other applicable Division rules, including, but not limited to Division Rule 40.

Jurisdiction of this case is retained for the entry of such further orders as the Division may deem necessary.

Sincerely,

Mark E. Fesmire, P.E.

Director
