RE: Amend C-102 for NSL Order # 4197  
To dedicate West 1/2 Section 36, T-29-N, R-11-W, E  
State "A" Gas Com #1E  
API # 30-045-25147  
San Juan County, NM

Dear Mr. Stogner,

Conoco, Inc. submitted application for an unorthodox Fruitland Coal location December 17, 1998. The N/2 of section 36 was dedicated to this well in order to form a standard 320 acre gas spacing and proration unit for the Basin Fruitland Coal (Gas) pool. We would like to amend this order and dedicate the W/2 of Section 36 again forming a standard 320 acre gas spacing and proration unit for the Basin Fruitland Coal (Gas) pool. Please see attached amended C-102.

The offset operator plat shows that Burlington Resources, Chaparral, Cross-Timbers, Redwolf, Taurus, and Manana are the offset operators that could be affected by this amended request. Please find evidence that they have been notified of this amended application request.

If there are any further questions regarding this change please call Bill Franklin at (281) 293-6535 or me at (915) 686-5798.

Sincerely,

Kay Maddox  
Regulatory Agent/Conoco, Inc.
