Dear Ms. Haynie:

We are in receipt of your application of October 20, 2008 requesting our approval of the Amended Commingling Order CTB-452, and lease commingling of the production from the above captioned wells:

Since it appears that all the New Mexico Oil Conservation Division's rules and regulations have been complied with, and there will be no loss of revenue to the State of New Mexico, as a result of your proposed operation, your request is hereby approved. Our approval is subject to like approval by the New Mexico Oil Conservation Division and the Bureau of Land Management.

Our approval does not constitute the granting of any right-of-way or construction rights not granted by the lease instrument.

Your filing fee in the amount of \$30.00 has been received.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,

PATRICK H. LYONS
