Mr. Terry Lindeman  
Operations Superintendent  
Mallon Oil Co.  
P.O. Box 2797  
Durango, CO 81302

Dear Terry:

I have reviewed the leasehold that is in the vicinity of the Mallon acreage as specified in your letter of March 24<sup>th</sup> and have determined that there are no direct offset leasehold operators other than Mallon Oil for the area specified. The closest offset operators to the specified acreage are located at least one mile from the Mallon acreage.

If you should have any other questions please contact me or Thurman Velarde at the above address.

Sincerely,

John T. Kilpatrick  
Petroleum Geologist
