Hello,

How have you been? Good I hope. I was out of town for about a month and I have not heard from you. I hope everything is going good. I was wondering if you could give me an update on how my NSL Blanket Proposal is going? Do you need any further information or do you have any comments for me? If so please give me a call. Also, if there is anything new that I need to know about just give me a call.

Thank You,

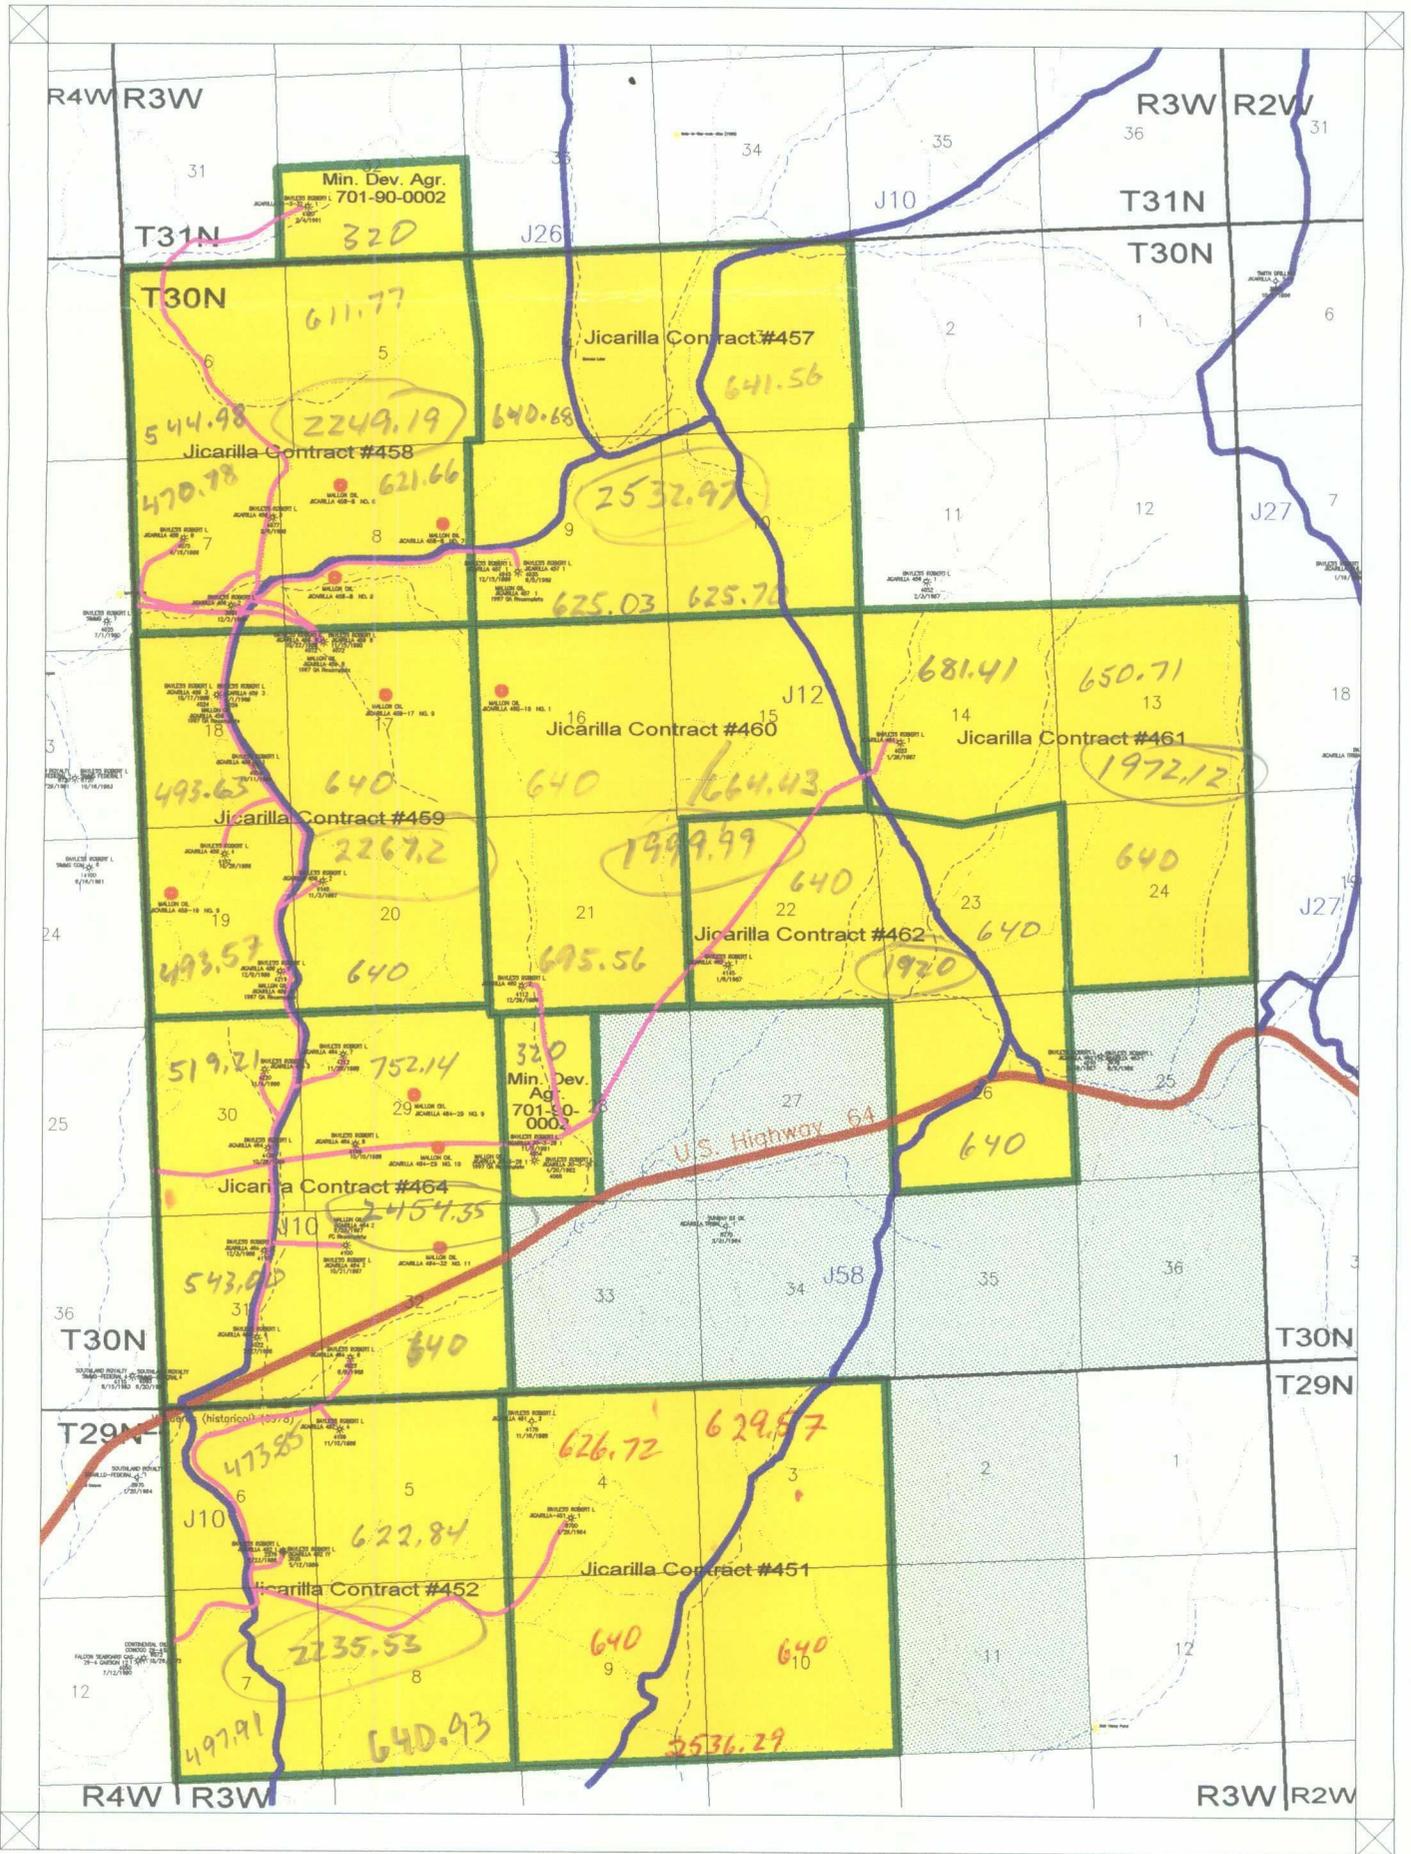

Christy Serrano
