Re: Amerada-Hale No. 1 State
Communitization -
Sec. 2-25S-37E = NE/4 NE/4
and S/2 NE/4,
Lea County, New Mexico

Dear Sir:

This is to advise you that we have terminated
the above designated Communitization as of March 14,
1957.

The Amerada-Hale No. 1 State Communitization
called for a Jalmat Gas Well, however under the
New Mexico Oil Conservation Commission's letter of
June 3, 1955, the OCC rejected your request for a
120-acre non-standard gas proration unit in the
Jalmat Gas Pool, and they stated that your Hale Well
No. 1 was completed within the vertical limits of the
Langlie-Mattix Oil Pool.

We have allowed this Communitization to run its
full two years, and it is terminated under its own
terms as of March 14, 1957.

Very truly yours,
