Re: Cancellation of NSP-207

Gentlemen:

Reference is made to your letter dated December 21, 1955, requesting cancellation of NSP-207 dated November 30, 1955, for 120 acres. You requested cancellation of that NSP in the N/2 NW/4 and SW/4 NW/4 of Section 22, Township 21 South, Range 36 East, Eumont Gas Pool, due to delay in communitizing said acreage. Administrative Order NSP-207 is hereby cancelled as per your request.

Administrative Order NSP-187 dated September 21, 1955 for 80 acres for your State "I" Well No. 2, consisting of the N/2 of the NW/4 of said section 22, is still valid and may be used while you are negotiating communitization of the entire NW/4 of said Section 22. The State Land Office is writing to Atlantic Refining Company in regard to their joining their 40-acre State "L" lease or the SE/4 NW/4 of said Section 22 with your 120 acres to form a 160-acre non-standard gas proration unit.

It is noted that you have not submitted Form C-103 on the actual dual completion work on subject well, even though the work has been done.

Very truly yours,

W. B. Macey
Secretary-Director
