C Amerada Petroleum Corporation
Drawer D
Monument, New Mexico

Administrative Order NSP-367

Attention: Mr. D. C. Capps

O Reference is made to your application for approval of a 320-acre non-standard gas proration unit in the Eumont Gas Pool consisting of the following acreage:

Township 20 South, Range 36 East
E/2 of Section 1

P It is understood that this unit is to be ascribed to your J. R. Phillips Well No. 3, located 1980 feet from the North line and 1980 feet from the East line and in the SW/4 SE/4 of Section 1, Township 20 South, Range 36 East, NMPM, Lea County, New Mexico.

Y By authority granted me under provisions of Rule 5, Section (b)-6 of the Special Rules and Regulations for the Eumont Gas Pool, as set forth in Order R-520, you are hereby authorized to operate the above described acreage as a non-standard gas proration unit, with allowable to be assigned thereto in accordance with Rule 12 of the pool rules, based upon the unit size of 320 acres. This well will assume the underproduced status of your Phillips Well No. 3 as of February 28, 1957.

Very truly yours,

A. L. PORTER, JR.
Secretary-Director

Re: Amerada-Skelly-J. R. Phillips
Well No. 8 Communitization -
E/2 of Section 1-20S-36E,
Lea County, New Mexico

Attention: Mr. F. W. Hulsizer
Land Department

Gentlemen:

We have been reviewing your Communitization which is limited to a one-year term and as long thereafter as gas is produced.

The one-year period will expire as of April 1, 1957.

You filed a New Mexico Oil Conservation Commission form C-102 on February 18, 1957, and it states you intend to kill your Well No. 8 and pull tubing and recomplete this well as an oil well in the Monument field.

Will you please show cause why we shouldn't terminate this Communitization effective as of April 1, 1957.

Very truly yours,

MURRAY E. MORGAN
Commissioner of Public Lands
