MEXICO.)

A P P L I C A T I O N

Comes now the applicant and in support of its Application,
states:

1. That it is the operator of the No. 1 Lee well located
660 feet from the North and East lines of the ^{A.M.}SE/4 of Section 23,
Township 22 South, Range 37 East, N.M.P.M., Lea County, New
Mexico, the well having been completed in the Drinkard oil zone
prior to the issuance of Order No. R-610.

2. That pursuant to Commission authorization, the well was
dually completed on March 10, 1955 in the Drinkard oil zone and
the Blinebry gas zone; and that applicant proposes to use the No.
1 Lee well as the unit well.

3. That in the opinion of applicant, the proposed non-stand-
ard gas proration unit meets the requirements of Rule 5(B) of
Order No. R-610 for the following reasons:

(a) The unit consists of contiguous quarter-quarter
sections with a common side between any two adjacent
quarter-quarter sections;

(b) The unit lies wholly within a single governmental
quarter section;

(c) The unit is within the horizontal limits of the
Blinebry gas pool and may reasonably be presumed to be
productive of gas;

(d) The length or width of the unit does not exceed
2640 feet.

4. That all of the royalty interest owners and working
interest owners within the unit have executed a Communitization
Agreement, communitizing their rights with respect to the produc-
tion of gas from the Blinebry gas zone.

5. That attached to this Application and identified as
Exhibit "A" is a plat showing the proposed unit, the location of
the No. 1 Lee well, and the ownership of the offset leases.

6. That attached to this Application and identified as
Exhibit "B" is an Affidavit stating that all other operators
owning an interest in the section in which the proposed non-
standard gas proration unit is located and all operators owning an
interest within 1500 feet of the No. 1 Lee well have been sent a
copy of this Application by registered mail.

WHEREFORE, applicant requests administrative approval of said
non-standard gas proration unit pursuant to the provisions of Rule
5(B) of Order No. R-610.
