Re: Application for 80 acre
Non-Standard Gas Proration
Unit, Eumont Gas Pool,
Comprising N/2 SW/4 Section
32 - T19S - R37E, Lea County,
New Mexico.

Oil Conservation Commission
State of New Mexico
Box 871
Santa Fe, New Mexico

Mr. A. L. Porter:

Tidewater Oil Company hereby makes application for approval of a non-standard gas proration unit comprising the N/2 SW/4 Section 32, T19S, R37E, Lea County, New Mexico, and in support states as follows:

(1) The working interest of the proposed unit is wholly owned by Tidewater Oil Company.

(2) In order to obtain production of gas-well gas from the Eumont formations underlying the proposed non-standard gas unit, Tidewater will recomplete their

State "H" No. 2 well, located 1980' NSL and 1980' EWL,

Section 32, T19S, R37E. This well is in Monument

Pool, but classified NIO at the present time.

N/2 SW/4

Oil Conservation Commission

- (3) There are no wells on the proposed unit acreage which are completed within and producing from the vertical limits of the Eumont Gas Pool.
- (4) The proposed non-standard gas proration unit will meet the requirements of Rule 5 (b) of the Oil Conservation Commission Order No. R520 as follows:
 - (a) The non-standard gas proration unit consists of contiguous quarter-quarter sections.
 - (b) The non-standard gas proration unit is wholly within a single governmental section.
 - (c) The entire non-standard gas proration unit may reasonably be presumed to be productive of gas in the Eumont Gas Pool.
 - (d) The length or width of the unit does not exceed 5,280 feet.
 - (e) By copy of this application, all operators owning interest within 1500' of the proposed unit have been notified by registered mail.
 - (f) A plat showing acreage to be dedicated, well location, and offset ownership, is attached.

In view of the facts herein stated Tidewater Oil Company requests that the above described non-standard gas unit be approved and an 80 acre unit allowable be assigned, effective on the first day of the month next succeeding the month in which this application is approved, or the date of filing of Form C-104 and Form C-110 and the gas-well plat on the Tidewater State "H" Well #2, or the connection of said well to a gas transmission line, whichever is the later.

Respectfully submitted,

TIDEWATER OIL COMPANY
