Gentlemen:

This is Shell Oil Company's application for an 80-acre Non-Standard Gas Proration Unit in the Blinebry (Gas) Field to be dedicated to Shell Turner No. 12. As shown on the attached plat, this well is located 2065' FSL and 1700' FWL of Section 22, T-21-S, R-37-E, Lea County, New Mexico.

Because of the recent completion of Shell Turner No. 6 as a Blinebry (Oil) producer, we are asking that the 40 acres dedicated to the gas unit be removed from the unit and dedicated to Turner No. 6 for oil production.

Very truly yours,

T. H. Dwyer  
Division Production Manager
