Re: Non-Standard Proration Unit for
Atlantic's Smith Federal No. 1 Well,
Indian Basin-Upper Pennsylvanian
Gas Pool, Eddy County, New Mexico

Dear Sir:

The Atlantic Refining Company is the operator of the Smith Federal No. 1 Well, located in Section 1, T22S-R23E, on a tract of 673.32 acres. It is completed in the Indian Basin-Upper Pennsylvanian field pay. We respectfully request an administrative exception to the 640-acre proration unit requirement of Rule No. 2 of Order No. R-2440 and assignment of the entire 673.32 acres to our well for proration purposes.

It is our understanding that Rule No. 3 provides for administrative approval of non-standard proration units when such units are caused by location of wells at township boundaries.

Yours very truly,

THE ATLANTIC REFINING COMPANY
