Dear Mr. Hatch:

In response to your letter of January 2, 1970, concerning the captioned, the other operators in the section upon which the proposed non-standard unit is located are Humble, Phillips, and Atlantic Richfield. As you will notice in our application these companies were sent notice when we filed our application, consequently we gave notice not only to the offset operators but all operators owning interests in the section.

We trust that this statement will enable our application to be handled administratively.

Yours very truly,

Dear Ron:

Rule 5(C) of Order No. R-1670, which order governs the operation of the subject pool, requires that all operators owning interests in the section in which the proposed non-standard gas proration unit is situated be notified as well as offset operators.

Your application will be eligible for administrative approval upon receipt by this office of statement that such interests have been notified.

Very truly yours,

GEORGE M. HATCH
