Gentlemen:

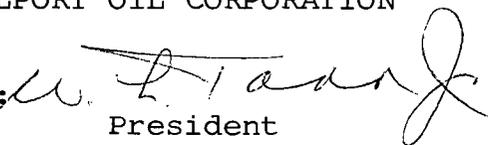

Reference is made to the application of Amoco Production Company for a non-standard production unit in the Double "L" Queen Associated Pool, Chaves County, New Mexico.

The proposed unit would consist of the SE/4 NW/4, W/2 SW/4, and the SE/4 SW/4 Section 25, T-14-S, R-29-E.

We object to including in the proposed unit the SE/4 NW/4 Section 25 as this would be in violation of Rule 2, (a), of the Special Rules & Regulations for the Double "L" Queen Associated Pool.

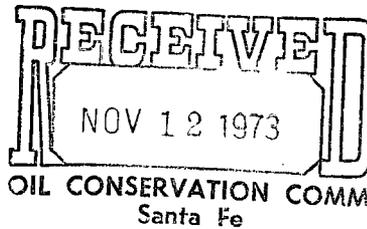

Yours very truly,

DALPORT OIL CORPORATION

Gentlemen:

Effective October 1, 1973, Amoco Production Company's State "EK" Well No. 4, located in Unit E, Section 25, T-14-S, R-29-E, Chaves County, New Mexico was reclassified from an oil to a gas well. This reclassification necessitates the formation of a non-standard proration unit.

NSP-846 dated October 1, 1971, authorized the formation of a 120-acre non-standard gas proration unit and dedicated to our State "EK" Well No. 1. The acreage consists of the W/2 SW/2 & SE/4 SW/4 Section 24, T-14-S, R-29-E, Chaves County, New Mexico.

*SW/4 25*

In accordance with the provisions of the Double "L" Queen Associated Pool rules, Amoco Production Company submits this request for an exception to Rule 2, under Rule 3, for the formation of a 160-acre non-standard gas proration unit comprising the SE/4 NW/4, W/2 SW/4, and the SE/4 SW/4 of Section 25, T-14-S, R-29-E, NMPM, Chaves County, New Mexico. This unit shall be jointly assigned to our State "EK" Well No. 1 located in Unit N, and State "EK" Well No. 4 located in Unit E of Section 25, as provided in Rule 7.

By Certified mail, a copy of this application is being mailed to Dalport Oil Company, 3417 First National Bank Building, Dallas, Texas 75202 as the only offset operator.

Gentlemen:

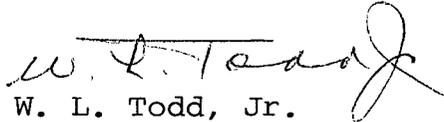

Reference is made to our letter of November 12, 1973 objecting to the formation of a non-standard proration unit in the Double-L Queen Associated Pool, Chaves County, New Mexico.

Mr. Roy R. Yoakum, Amoco Production Co., Hobbs, advises that the inclusion of the SE/4 NW/4 Section 25 was a typographical error. The land description should have been SW/4 NW/4.

With the substitution of the SW/4 NW/4 for the SE/4 NW/4, Dalport withdraws its objection to the non-standard unit.

Yours very truly,

DALPORT OIL CORPORATION
