Michael E. Stogner
Oil Conservation Division
1220 South St. Francis Drive
Santa Fe, New Mexico 87505

Dear Mr. Stogner:

Pursuant to Division Rule 104.F.(2), Bass Enterprises Production Co. ("Bass") applies for administrative approval of an unorthodox gas well location for the following well:

<u>Well:</u>	Poker Lake Unit Well No. 196
<u>Location:</u>	2055 feet FSL & 2335 feet FWL
<u>Well Unit:</u>	S½ of Section 29, Township 24 South, Range 31 East, N.M.P.M., Eddy County, New Mexico

The well will be drilled to test the Morrow formation (Undesignated Poker Lake-Morrow Gas Pool). Attached as Exhibit A is a Form C-102. The pool is developed on statewide rules, with 320 acre spacing and wells to be located no closer than 660 feet to a quarter section line.

The location is based on geological and topographical considerations. Attached as Exhibit B is a portion of a Wolfcamp time structure map. The depth (in descending order) is blue/green/yellow/red. The preferable (lower) location is in the northern part of the NE¼SW¼ of Section 34.

Applicant intended to drill at a location further west and south. However, there is a pipeline to the west (see Exhibit C), and the BLM suggested moving the well slightly north and east.

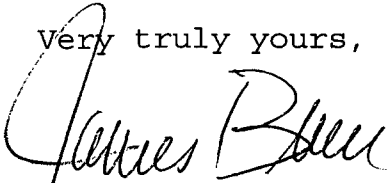

The well unit is within the Poker Lake Unit, operated by Bass. The S½ §29,¹ and the offsetting N½ §29, are all federal land, and are

¹The SW¼ §29 is one federal lease, and the SE¼ §29 is a separate federal lease.

fully committed to the unit. The leases, as to the Morrow formation, are 100% owned by Bass, and royalty interests are common. Moreover, the N¼ §29 is covered by the same lease as the SW¼ §29. As a result, **there is no adversely affected party who must be notified of the application.**

Please call me if you need any further information on this matter.

Very truly yours,

A handwritten signature in cursive script, appearing to read "James Bruce".

Wayne Bailey w/ Bass left a voice-mail message asking about the status of its #196 application. Well drilled and is ready to free and commence producing the well.
