Re: DAVID FASKEN  
El Paso Federal No. 4  
C-3-21S-26-E  
Eddy County, New Mexico

Gentlemen:

*Lots 1 through 8 Sec. 3, 21S, 26E*

Enclosed are copies of Form C-102 "Well Location and Acreage Dedication Plat" for subject well showing the location and the 277.18 acres dedicated to this well. The non-standard unit is a result of the unorthodox size of the legal subdivisions in the north one-half of the section.

*Federal land*

Since the necessity for this non-standard unit meets the requirements set out in Rule 104-D-II, administrative approval of the unit is requested on behalf of our client. If any further information is desired, please call us collect.

Sincerely,

HENRY ENGINEERING

1. Outline the acreage dedicated to the subject well by colored pencil or hachure marks on the plat below.
2. If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
3. If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?

Yes  No If answer is "yes," type of consolidation Working Interest Unit

If answer is "no," list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.)

No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Commission.
