Attn: Mr. Tim Custer

Dear Sirs,

I own the lease on the S/2 SW4 Section 9 T19S R38E which is located in Lea County, New Mexico.

I plan to drill a Yates-Seven Rivers well (approx. 3500') at the center SESW of the above acreage in the near future. Because the New Mexico well spacing for gas wells is normally 160 acres I ask you whether you

1. wish to join me
2. prefer to farm out the N/2 SW/4 of Section 9 to me
3. will provide me with a letter showing no objection to and supporting an 80 acre gas unit in the S/2 SW/4 of Section 9 in the Yates-Seven Rivers?

Please advise me of your decision at your earliest convenience.

Sincerely,

Art Barnes,
