AMENDED  
*Administrative Order SD-91-8*

Dear Ms. Perez:

Reference is made to your letter dated January 2, 1992 concerning the need to amend Division Administrative Order SD-91-8, dated July 9, 1991, which order authorized the simultaneous dedication of Eumont Gas Pool production from the SE/4 of Section 32, Township 20 South, Range 37 East, NMPM, Lea County, New Mexico, to the Shell State Well No. 6 located in Unit I and to the Shell State Well No. 8 to be drilled in Unit O, both in said Section 32.

It is our understanding that the proposed Shell State Well No. 8 was originally spotted on a map and permitted before it was actually staked and for some unexplained reason had to be moved.

Division Administrative Order SD-91-8 is hereby amended to show the well location for the Shell State Well No. 8 to be drilled 660 feet from the South line and 1780 feet from the East line (Unit O) of said Section 32, all other provisions of said Order SD-91-8 shall remain in full force and effect until further notice.

Sincerely,
