Attention: David Catanack

Dear Mr. Catanack:

Arch Petroleum Inc. respectfully requests administrative approval for simultaneous dedication of acreage on our Learcy McBuffington #9 and #7 wells.

The number 7 well is currently producing from the Justis Glorieta Gas Pool and we are in the process of completing our well #9 in the Justis Glorieta Gas Pool. The number 7 well is located 660' FSL and 990' FWL, Section 13, T25S, R37E, Lea County, New Mexico.

If you have any questions or if any additional information is needed, please call me at 915-685-1961.

Sincerely,

Bobbie Brooks
Production Analyst

Administrative Order SD-96-⁸~~***~~

Dear Ms. Brooks:

Per your application dated May 10, 1996, Arch Petroleum, Inc. is hereby authorized to simultaneously dedicate Justis-Glorieta Gas Pool production to the existing standard 320-acre gas spacing and proration unit comprising the S/2 of Section 13, Township 25 South, Range 37 East, NMPM, Lea County, New Mexico, from the Learcy McBuffington Well No. 7 (API No. 30-025-11568), located at a previously approved unorthodox Justis-Glorieta gas well location (see Division Administrative Order NSL-528, dated December 22, 1971) 660 feet from the South line and 990 feet from the West line (Unit M) of said Section 13, with the Learcy McBuffington Well No. 9 (API No. 30-025-11570), to be recompleted up-hole from the Fusselman and Abo formations and located at a standard Justis-Glorieta gas well location 1650 feet from the South line and 1980 feet from the West line (Unit K) of said Section 13.

Further, you are permitted to produce the allowable assigned said standard 320-acre unit from both wells in any proportion.

Sincerely,

William J. LeMay
Director
