APPLICATION

Comes now J. Felix Hickman and makes application to the Commission for an exception to the provisions of Rule 6 (a) of the pool rules for the South Blanco Pictured Cliffs gas pool as contained in Order No. R-565, ^{Rule 6(b)-6} as amended, by administrative action as provided by Order No. ~~R-614~~ for a non-standard proration unit consisting of Lots 1 and 2 and the South half (S $\frac{1}{2}$) of the Northeast Quarter (NE $\frac{1}{4}$) of Section Five (5), Township 24 North, Range 3 West, N.M.P.M., containing 173.11 acres, more or less, according to the official governmental survey, to be dedicated to his Clark No. 6 Well, and in support thereof would show:

1. That the proposed non-standard proration unit consists of more than 160 acres, the unorthodox size and shape of the tract being due to a variation of the legal subdivision of the United States Public Land Surveys.
2. The proposed non-standard proration unit consists of contiguous quarter quarter sections and lots.
3. The proposed non-standard proration unit lies wholly within a single governmental section.
4. The entire non-standard proration unit may reasonably be presumed to be productive of gas.
5. (a) All interests in the section are under common ownership and applicant has been duly designated as operator

of all lands within said section.

(b) Notice of this application with requests for waivers has been forwarded by registered mail to the following off-set operators:

Skelly Oil Company
P. O. Box 1650
Tulsa, Oklahoma

OK

Magnolia Petroleum Company
P. O. Box 900

OK

Sun Oil Company
P. O. Box 679
Durango, Colorado

OK

Attached hereto and made a part hereof is a plat showing the proposed non-standard proration unit, together with the location of the Clark No. 6 well.

WHEREFORE, applicant prays that the Commission issue its order by administrative action approving said non-standard proration unit.

Respectfully submitted,

J. Felix Hickman

Gentlemen:

J. Felix Hickman #6 Clark,
Application for Non-Standard Proration Unit.

The Magnolia Petroleum Company has no objection to the NE/4 Sec. 5 T24N-R3W being attributed to the J. Felix Hickman #6 Clark well as its proration unit. It is our understanding that this unit is non-standard only that it is an oversized governmental quarter section; as such we hereby waive our right to object to the formation of the proration unit.

Please feel free to use this letter in support of your pending application with the Commission for the designation of the 173.11 acres of the NE/4 Sec. 5 T24N-R3W Rio Arriba County, New Mexico as the proration unit for the J. Felix Hickman #6 Clark.

Yours very truly,
