

October 20, 1959

International Oil Corporation
Republic Bank Building
Dallas 1, Texas

Attention: Mr. H. T. Baxter

Administrative Order NWU-335

Gentlemen:

Reference is made to your application for approval of a 291-acre non-standard gas unit in the Dakota Producing Interval consisting of the following acreage:

TOWNSHIP 29 NORTH, RANGE 11 WEST, NMPM
Section 3? N/2

It is understood that this unit is to be dedicated to your D. A. Martin Well No. 1-3, located 1611 feet from the North line and 790 feet from the West line of said Section 3.

By authority granted me under the provisions of Rule 1 (b), of the Special Rules and Regulations for the Dakota Producing Interval, as set forth in Order R-1287, you are hereby authorized to operate the above described acreage as a non-standard gas unit.

Incidentally, it appears that there may be a diversity of royalty ownership in the above described acreage. It is our understanding that where such diversity exists, communitization of such royalty interests is often necessary.

Very truly yours,

A. L. PORTER, Jr.,
Secretary-Director
