Dear Mr. Jones,

COG Operating LLC as operator of the above mentioned wells respectfully requests approval for down hole commingling and measurement of production.

This well was originally completed in the Paddock by Tipperary Oil & Gas Corporation in 1984. It was DHC to the Abo in 1985.

COG has recently found the mistake and would like approval for a DHC permit. We have attached a test with percentages. Production is measured at the Monsanto 30 State #1, located in the SW/4 SE/4, Section 30, T16S, R37E. The lease has common interest in both pools. COG Operating LLC has 100% ownership.

Please contact me at 432-685-4332 or e-mail at kcarrillo@conchoresources.com if you need additional information.

Thank you for your attention in this matter.

Sincerely,

COG Operating LLC

Kanicia Carrillo
