MAIN OFFICE OCC

Dear Mr. Porter:

Beta Development is beginning drilling operations on their  
Oswell Federal #1 well in Section 4, T. 29 N., R. 11 W., located  
1440' from the North line and 1720' from the West line.

We propose to dedicate the West 306.55 acres to the well.  
The shortage of acreage in the proration unit is due to a variation  
in the legal subdivision of the United States Public Land Survey.

Beta Development Co. hereby requests administrative approval  
of a non-standard proration unit covering the above mentioned  
West one-half of the section in accordance with the Basin Dakota  
Gas Pool Order #R-1670-C.

Yours very truly,

BETA DEVELOPMENT CO.
