Ms. Kim Stewart

Re: Surface Commingling Application

Dear Ms. Stewart:

This letter acknowledges the receipt of your administrative application dated July 27, 2001, to surface commingle gas production from the Big Walt "2" State No. 3, the McKittrick Federal Com No. 1Y and the Shelby Federal No. 3 in Sections 2, 11 and 12, Township 22 South, Range 24 East, NMPM, Eddy County, New Mexico.

Our preliminary review indicates that the information provided in the application is not sufficient to process the administrative order. The following information is necessary:

- a) **Administrative Application Checklist;**
- b) **A statement that a formal application has been filed with the Commissioner of Public Lands for the State of New Mexico;**
- c) **A C-102 (Acreage Dedication Plat) for each well;**
- d) **A map or other document showing the affected leases and lease numbers.**

Since the submitted information is insufficient to review, the application was **Ruled Incomplete** on August 8, 2001. Please submit the above stated information by August 15, 2001.

The Division cannot proceed with your application until the required information is submitted. Upon receipt, the division will continue to process your application. The additional information can be faxed, or mailed to the Division. If the necessary information is not submitted, your application will be returned to you.

If you have any questions, please contact me in Santa Fe, at (505) 476-3466.

Sincerely,

A handwritten signature in black ink, appearing to read "David Catanach", with a long horizontal flourish extending to the right.

David Catanach  
Petroleum Engineer
