Dear Ms. Odom

The referenced application shows that COG is the owner of the offsetting acreage to the north of the non-standard bottom-hole location of this well. For clarification, is COG 100% owner of the working interest for that acreage (SW/4 NW/4 of 8-17S-29E)?

Subject: Hatfield State #9; NSL Application

Dear Ms. Odom

The referenced application shows that COG is the owner of the offsetting acreage to the north of the non-standard bottom-hole location of this well. For clarification, is COG 100% owner of the working interest for that acreage (SW/4 NW/4 of 8-17S-29E)?
