CONSIDER CONINGLING RULE

OPERATORS CALLING THIS OFFICE STATING RULE PROVIDES FOR NEGATIVE RELIEF
A NEW WELL DRILLED AS IN ONE OF HUNBLE CASES TODAY WOULD
HAVE TO WAIT AT LEAST 39 DAYS PRIOR TO TEST OR BUILD NEW BATTERY
OPERATORS FEEL SUCH RULE SHOULD LEAD TO GRANT TEMPORARY PERMISSION
AND IMMEDIATELY APPLY FOR 39 DAYS ON IN ORDER TO TEST
RULE ITSELF IS PRESENTING AN OPERATIONAL PROBLEM

WILL DISCUSS CONINGLING RULE AND ADVISE
END
HOBBS END
