Attention: Mr. Jack D. Jones

Gentlemen:

By letter of 8-19-38, you request permission to commingle oil produced from lease Las Cruces 032650(a) in the SE1/4 sec. 24, T. 25 S., R. 14 E., Las County, New Mexico, with oil produced from lease 032650(b) in the same section. You propose to meter the production from each lease separately and to use the tank batteries now located on Las Cruces 032650(b).

No objection is offered to the method that you propose for measuring and selling oil from the leases, provided that approval is obtained from the New Mexico Oil Conservation Commission for production purposes.

Very truly yours,

JAMES A. KNAPP
Acting Oil and Gas Supervisor

Attention: E. J. Fischer

Dear Sir:

As discussed in our telephone conversation this A.M., please find attached two copies of a waiver letter from Skelly Oil Company concerning our oil commingling application between our A. B. Coates "C" and A. B. Coates "D" leases, Section 24, T25S, R37E, Lea County, New Mexico. This should complete waiver from all offset operators.

Thank you for your attention in this matter and in the handling of the aforementioned application.

Very truly yours,
