Re: Application of Samedan Oil
Corporation for off-lease
measurement of oil production
from the Hughes B-2 Lease.

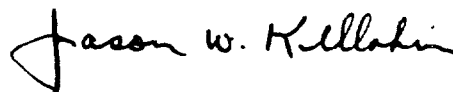

Dear Mr. Porter:

I am enclosing the waiver of Delhi-Taylor Oil Company to the above application. Waivers from Skelly Oil Company, Texaco, Inc., and Continental Oil Company were submitted to your office yesterday. This completes waivers from all operators offsetting the acreage involved in this application.

In order that the applicant may discontinue trucking of oil as soon as possible, we would appreciate your early action on this application, and your cooperation in this will result in a considerable saving and facilitate the handling of production from this lease.

With thanks for your consideration of this matter,

Yours very truly,

Jason W. Kellahin
