Shell Oil Company  
P. O. Box 845  
Roswell, New Mexico

Attention: Mr. P. A. Dennie

Administrative Order CTB No. 51

Gentlemen:

Reference is made to your application dated January 5, 1960, for administrative approval of an exception to Rule 309 (a) of the Rules and Regulations of the Oil Conservation Commission to permit the commingling of the oil produced from the following described State of New Mexico oil and gas leases in the Vacuum Pool, to-wit:

State "D" Lease, SW/4 SW/4 of Section 31

State "E" Lease, SE/4 SW/4 of Section 31

both in Township 17 South, Range 35 East, Lea County, New Mexico.

By the authority vested in me under the provisions of Rule 309 (b) of the Rules and Regulations of the Oil Conservation Commission of New Mexico, I hereby authorize you to commingle the production from the above-described leases from the Vacuum Pool in a common tank battery.

Nothing contained herein shall be construed as authorizing the production of more than sixteen wells into a single tank battery.

Very truly yours,

A. L. PORTER, Jr.,  
Secretary-Director

Mr. J. W. ...  
Santa Fe, N.M.

Dear Sir:

Reference is made to your letter of December 15, 1940.

The Commission

has reviewed the information furnished to it and has determined that the same is not sufficient to warrant the issuance of a license. It is suggested that you submit additional information regarding the proposed operation of the well in question.

Very truly yours,  
Director

Enclosed for you are two copies of the report of the Commission.

The Commission is not authorized to issue a license for the proposed operation of the well in question until the applicant has submitted the information requested in the report of the Commission.

Nothing contained in this letter is to be construed as a recommendation of the Commission.

Very truly yours,

A. W. ...  
Director

Oil Conservation Commission
