COMMISSION ON CONSTITUTIONAL REVISION

PL. 86-1

SAN FRANCISCO, CALIFORNIA

San Francisco, California
November 10, 1967

Mr. J. Edgar Hoover

Director, Federal Bureau of Investigation

Dear Mr. Hoover:

I am writing to you regarding the Commission on Constitutional Revision. The Commission was established by the California State Legislature in 1962 to study and recommend changes to the California Constitution. We are currently in the process of reviewing various proposals and would like to discuss them with you.

One of the proposals we are considering is the creation of a new judicial branch.

This proposal would provide for a more efficient and independent judiciary. It would also help to reduce the workload of the existing courts and improve the quality of the judicial system.

We believe that these changes are necessary for the continued development and improvement of the California judicial system. We would appreciate your views on these proposals.

Very truly yours,
