Administrative Order CTS-78

Gentlemen:

Reference is made to your application dated January 11, 1962, for administrative approval of an exception to Rule 309-A, of the Commission Rules and Regulations to permit the commingling of the Cha Cha-Gallup Oil Pool production from your Callow "B" & Callow "C" Leases located in Section 31, Township 29 North, Range 13 West, NMPN, San Juan County, New Mexico.

By the authority vested in me under Rule 309-B of the Commission Rules and Regulations, I hereby authorize you to commingle the production from the Cha Cha-Gallup Oil Pool in a common tank battery; provided however, that the installation shall be operated in accordance with the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,

A. L. PORTER, Jr.,  
Secretary-Director

Dear Sirs:

Enclosed for you are  
two copies of the  
report of the  
Commission.

Very truly yours,

Administrative Section

Director

Reference is made to your application dated January 1, 1954, for maintenance of an exception to Rule 302-B of the Commission rules and regulations to permit the operation of the Old-Growth Oil Pool in your district. A notice of hearing in section 31, Federal Register, volume 19, page 13,444, New Mexico, Santa Fe, New Mexico, was published on January 1, 1954.

The hearing was held in the order rule 302-B of the Commission rules and regulations, I hereby authorize you to continue the operation of the Old-Growth Oil Pool in your district. It is noted, however, that the installation of the pool must be in accordance with the provisions of the Commission rules and regulations concerning installation.

Very truly yours,

Director
