Gentlemen:

Reference is made to your letter of July 6, 1962, requesting pool and lease commingling authority for your L. G. Warlick and L. G. Warlick "A" Leases.

We note that you have furnished all parties owning an interest in the leases with a copy of the application as required by Rule 309-B-3. However, we see no indication that the purchaser of the crude has been advised of the proposed commingling in accordance with the same rule or has given his consent to the proposal.

Please advise as to the status of the purchaser in this matter.

Very truly yours,

DANIEL S. NUTTER
