Re: Application for permission to commingle
production from State of New Mexico "AB"
Lease No. B-1031-1, and State of New
Mexico "R" (NCT-1) Lease No. B-1306-1,
consisting of E $\frac{1}{4}$, Sec. 6, Twp. 18S, Rge.
35E, Lea County.

Attention: H. D. Raymond

Gentlemen:

This office can find no objection to the above request, and so therefore, approves same, subject of course, to approval by the Oil Conservation Commission. Ownership is common throughout, and the only difference that we note is the lease numbers. The NE $\frac{1}{4}$ belongs to Lease B-1306-1, and the SE $\frac{1}{4}$ belongs to Lease B-1031-1.

Thank you for your plate showing your wells and metering.

Very truly yours,

E. S. JOHNNY WALKER
