P.O. Box 2130

Attention: Mr. W. C. Rodgers

Administrative Order CTB-120

Gentlemen:

Reference is made to your application dated July 1, 1964, for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of oil produced from the Vacuum Glorieta Pool on the following leases: State B-1497 Lease, NW/4 and SW/4 NE/4, Section 26, and the S/2 SW/4 of Section 27; State B-1608 Lease, N/2 NE/4 of Section 33; State B-2517 Lease, SW/4 NW/4 of Section 33; and State B-2862 Lease, NE/4 SW/4 of Section 33, all in Township 17 South, Range 34 East, Lea County, New Mexico. It is our understanding that each of these leases has a common working interest and that the royalty interest is also common throughout, and that you therefore propose to allocate the production to each of the leases on the basis of periodic well tests.

Under the authority granted me pursuant to Rule 309-B, you are hereby authorized to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,

A. L. Porter, Jr.
