Attention: Mr. F. F. Lovering

Gentlemen:

Amendment
Administrative Order CTB-120

Reference is made to your letter dated October 1, 1965, wherein you request an amendment to Administrative Order CTB-120 which order authorized the commingling of Vacuum-Glorieta production from several state leases in the Vacuum field, Lea County, New Mexico.

It is our understanding that you wish to add State Lease B-2519 comprising the NE/4 of Section 34, Township 17 South, Range 35 East, to the subject commingling installation. It is our further understanding that the ownership of said lease is identical with that of the other leases and that the allocation of production to each of the leases will be on the basis of periodic well tests.

Administrative Order CTB-120 is hereby amended to include your State B-2519 Lease.

Very truly yours,

A. L. Porter, Jr.
