Attention: Mr. G. C. Jamieson

Administrative Order CTB-147

Gentlemen:

Reference is made to your application dated July 2, 1965, for administrative approval of an exception to Rule 309-A of the Commission Rules and Regulations to permit the commingling of oil produced from your Russell 30 Lease comprising all of Section 30 and your Russell 31 Lease comprising the N/2 NE/4 and S/2 SW/4 of Section 31, Township 26 South, Range 32 East, Battleaxe Delaware Pool, Lea County, New Mexico. It is our understanding that each of these leases has a common working interest and that the royalty interest is also common throughout, and that you therefore propose to allocate the production to each of the leases on the basis of periodic well tests.

Under the authority granted me pursuant to Rule 309-B, you are hereby authorized to commingle the above-described production as proposed, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities."

Very truly yours,

A. L. Porter, Jr.  
Secretary-Director
